Situation as of 1706 hrs on 2022-02-13

Event Overview:

- **Approximately 15 demonstrators** reported to be on **Parliament Hill** at this time.

- **Approximately 350 demonstrators on Wellington St. and in the downtown core.**
- OPS estimate that there **are 505 trucks in the downtown core.**

Operational Information:

- CIG OSINT identified reports of a possible counter protest at the intersection of Elgin and Argyle (1430 hrs). Subsequent posts suggest that the demonstrators have been moved to Metcalfe and Argyle. [\[i\]](#)
- CIG OSINT identified a tweet posted at approximately 1430hrs in which a man in an Attorney General Enforcement Officer coat is dancing near the intersection of Rideau and Sussex. Jackey had FREEDOM ENFORCEMENT OFFICER AGENT [...] CIG cannot confirm if this is an official jacket that has been modified. [\[ii\]](#)
- CIG OSINT identified a live video on Facebook of a retired RCMP member in red serge giving speech on Wellington (pro convoy, calling on police officers and telling them not to enforce this mandate if they feel it's unlawful). This could be the special guest Freedom CONVOY had announced. During his speech, member identified himself as **Personal Info.** [\[iii\]](#) and mentioned that he had retired from the RCMP in 2019.
- CIG located Twitter post mentioning to drive to Harrington Lake **Personal Info.** "Truckers should drive 2 Harrington lake.. there is a coward there."
- FPNS Task Force:
 - o Reviewed CIG updates: #138, 139 No Concerns identified.
 - o Reviewed CIG updates: #140, 141 concerns have been identified – see below.
 - o Update #140 - PROS 2022-186809: Officer awareness and FPNS file opened for assistance. Theft of Tractor trailer containing 2400 firearms (.22 caliber long gun with magazines) from the company SAVAGE ARMS at 03h00 on 2022-02-13 in Peterborough. No ammunitions accompanied the firearms. POJ (Peterborough police) is the lead agency, OPP is also engaged and assist POJ. RCMP-GTA Inset have been tasked to maintain file visibility. Ottawa INSET tasked and advised for their awareness. K-DIV have been made aware of this as they have the other

biggest rally/blockade outside Ontario. CPIC-BOLO was approved and sent nationally. FPNS is monitoring closely the file. In CIG #141 a protester published an audio recording and stated that he heard via a police radio about the theft of firearms.

- Update #140 – Names and phone numbers published on Twitter by **Personal Info.** - CIG has pointed the Tweet who suggests “unwelcome convoy guests need to hear from us about how we feel” and appear to encourage individuals to call **Personal**. The user provided a list of 12 Protests organizers, emails and cell phone numbers on his publications. After checks on the telephone numbers **Personal Info.** are possibly associated to individuals affiliated with IMVE groups (i.e. Sons of Odin). OA conducting research to determine if there is a nexus to NS. Currently, this doxing does not appear to warrant a criminal investigation.

- PROS 2022-184822: Threat to the PM and to CBSA, info came to FPNS on-call on 2022-02-12 in the evening: Emails (2) went through the CBSA web platform: on February 7th containing non-criminal threats and declarations ie: “we are prepared to die to stop you” etc. On February 12th another veiled threat talking about gallows to hang the PM. The threats came from **Personal Info.** possibly linked to **Personal Info.** (Illinois, US). TIOS (open source), Intake (Intelix) were tasked for this file. All PROS and SPROS check were negative. POCC have been made aware of this. SOC is likely to be an American citizen living in Illinois but his actual location is unknown. FPNS currently holds the file while we work to determine a possible SOC jurisdiction.

Operational Planning:

- Nil updates at this time.

Protective Clients and Protective Sites:

Communications:

-

- Social media are reporting as breaking news that Mayor Watson will meet with Convoy Organizer **Personal** on the “conditions for them to exit residential neighbourhoods.” Watson wants evidence of this before noon February 14. This agreement “was reached

through backchannel negotiations.” The letter content is included below for further reference. TVA is reporting that an actual agreement has been reached.

- In Ottawa, the counter-demonstrations are getting bigger and in the last few hours, counter-demonstrators have blocked a convoy of protestors heading for downtown Ottawa. For the moment, the Ottawa Police Service maintains the separation between the two groups of demonstrators, but some leaders of the Convoy have asked protesters for help in order to allow the passage of this convoy of vehicles. As of now, there have been no incidents.
-
- A Toronto Star article was published this afternoon citing “multiple policing and security sources saying the OPS has no plan on how to end the protests”. The full article is attached for further reference.
